SELL THE KID'S !

HARRINGTON AUDIO

Hi James

“Received the new Bryston Trim T¹⁰ speakers recently.

Made a few small changes in my listening room and holy crap do these Bryston Trim T¹⁰ speakers ever sound amazing !

All the things I love it in a speaker packed into one. After we listen for a couple of minutes, Maureen looked back at me and said ...

OK now I would sell the kids for a pair of these.”

Best
Gary
